

Welcome to the Scent Work Club of the San Gabriel Foothills AKC Scent Work Trial!

Friday, March 10, 2023
Sierra Madre Woman's Club
550 West Sierra Madre Blvd., Sierra Madre
Saturday & Sunday, March 11 & 12, 2023
Odyssey Charter South
119 West Palm Street, Altadena
(New location!)

This is your final confirmation and trial information letter. Please read this letter carefully, as it contains all the important information for your trial, including when to arrive, what to expect when you get there, and how to get placement ribbons. There will be no public briefing at the trial.

The trial goes on, rain or shine. If necessary, bring rain gear, waterproof shoes, and towels for the pups!

TRIAL DETAILS:

The club is running all odor classes in groups. HD classes are available before or after your odor searches. Plan accordingly so you are ready for your odor classes at your scheduled time.

See below for your trial group.

The time listed for your group is your ARRIVAL time.

When you arrive, there will be time to potty your dog(s) and get yourself ready to run. When on site, please only leave your vehicle to potty your dog or run your runs. Once you complete your runs, we ask that you move along to make room for the next group. If you are part of the group that has both Excellent and Advanced runs, you may wait in the parking lot between your runs. **Do not wander the site as you may be in sight of search areas!**

Based on the mandates of the State of California, we will be following the guidelines below to keep the trial safe for everyone.

- Masks are not required. If you choose to wear a mask, please provide your own.
- Social distancing of six feet will be encouraged.
- Limited spectators are allowed for exterior searches only. Interior searches will continue to allow only the handler, their dog, and the officials during a search.
- Set-ups are NOT allowed at the trial site. Remain in/near your car until it's your time to run.
- **Play Paws Record** will film every run, and your video will be available for purchase shortly after the trials. **Susan Goldman** will be the photographer. More information about photos and videos will be sent out later with how to order.

HANDLER BRIEFINGS:

Links to videos of your search areas will be posted to the club website the night before the trial.

(www.swcfoothills.org/trial-info) The virtual briefing will include guidelines for each search. The judge will also give each exhibitor a short briefing when you come to each search area. If you have specific questions about the search area that was not covered in the video, you may ask the judge before you start. There will be no general briefing, and no class briefing before class starts.

TRIAL SCHEDULE:

Your group and time slots listed on the next pages CANNOT be changed. You will be running all odor classes of that level in your time slot. If you have multiple dogs in the same group, you will have time to switch out dogs, but please have them ready to run. Warm up boxes will be available for you to use before entering your search. Your dog's armband number is listed in your class confirmation.

RESULTS AND RIBBONS:

Please do not wait at the trial site for results.

Preliminary results will be posted to the club website (www.swcfoothills.org/trial-info) as soon as each class can be completely scored (pending internet reception). Individual results and High in Trial will be emailed later.

Please pick up your qualifying and title ribbons and title pin immediately after your runs, as you do not need to wait for results for these ribbons. **Placement ribbons and High in Trial will be mailed upon request.** Please send ONE email after you've received all your results to Sue Ingham at inghamdesigns@yahoo.com stating which ribbons you would like mailed. You may also pick up your ribbons in person if you are trialing later that day or the next day, or you may designate someone who will be there later to pick them up for you.

Thank you in advance to everyone for keeping track of where you are in the run order, for picking up after your dogs (or someone else's dog), for being kind to the volunteers, and being supportive of one another. Remember that we are the center of our dog's universe. Play and have fun!

See you soon!
